Patient Name:

Birth Date:

Date Created:

Although dental personnel primarily treat the area in and around your mouth, your mouth is a part of your entire body. Health problems that you may have, or medication that you may be taking, could have an important interrelationship with the dentistry you will receive. Thank you for answering the following questions.

Are you under a physician's care now? Have you ever been hospitalized or had a major operation? Have you ever had a serious head or neck injury? Are you taking any vitamins, medications, pills, or drugs? Have you ever taken Fosamax, Boniva, Actonel or any other medications containing bisphosphonates? Do you use tobacco? Do you use controlled substances?

Women: Are you...

Pregnant/Trying to get pregnant? Nursing? Taking oral contraceptives?

Are you allergic to any of the following?

Aspirin Penicillin Codeine Acrylic Metal Latex Sulfa Drugs Local Anesthetics

Other? If yes
